## 'The Ascended Masters Conclave'

6<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup> October 2017 in Kent, UK.

Presenting

## The Akasha Grand Council

During the year 2012, in  
preparation for the

Seventh Golden Age of our  
Planet Earth,

Mother Akasha of the  
Great Central Sun, created

'The Akasha Grand Council',

to oversee the Divine Plan for

this Golden Age and  
ensure VICTORY!

Mother Akasha has invited

the entire Grand Council

for this Seventh  
Golden Age,

to speak for the very  
first time, at the

'Ascended Masters Conclave'

in Ashford, Kent,

United Kingdom.

Mother Akasha speaks  
into the 7<sup>th</sup> Golden Age and  
'THE AKASHA GRAND COUNCIL'

"As the hour struck between midnight Dec 21<sup>st</sup> and Dec 22<sup>nd</sup> 2012, day one of the 7<sup>th</sup> Golden Age began, bringing a period of 10,000 years to restore this planet and its people!

There are Dispensations in place to ensure that this Golden Age succeeds. Three of the Mighty Dispensations to help awaken the people of the Earth are: 'The Great Oracle of Light' that is Jesus the Christ - who came from the Golden Shrine Galaxy. The second Dispensation is the 'Great Oracle of the Sacred Fire', brought to the Earth by the Great Master Saint Germain. The third Dispensation is the 'Oracle of Love' that comes to the Earth as my Presence, AKASHA.

During the last few days of December 2012, I spoke with the Director Logos, who is the Great Divine Director of your System of Worlds, saying to Him: *'I wish to use my authority in the Great Central Sun to create a Grand Council, similar to some of the ancient Ascended Master Councils and Retreats that have been on the Earth before, most of which have been closed.'*

I convinced the Director Logos that We, in the Great Central Sun (We are all Beings living in the centre of the Universe and represents myself Akasha, the Creator Beings known as The Mighty Eloheim, The Avatars, The Immortals and The Arceus) that if They are to assist the people of Earth, They must have a Grand Council made up of Ascended Masters. Some of these Masters are from the planet Earth, some are from Venus and some of the rotating members may come in from Jupiter and

Saturn as well. Other times, some may come in from the Pleiadean, the Syrian, the Arcturian and Orion System of Worlds. The plan was to ensure that during the 7<sup>th</sup> Golden Age, that those of us in the Great Central Sun have a Grand Council of Ascended Masters and Great Cosmic Beings, who can use Their great Expertise and offer Their Guidance and who also have the Power, *because of Their position in the Spiritual Hierarchy*, to intervene upon the Earth.

We now have up and running for four years, the Akasha Grand Council, which consists of 22 Masters. Four are overseers, eighteen are Council members, of which thirteen are permanent members and five are non-permanent members elected for two-year periods.

To present the Council to the students, I don't desire to split them up and have them talk at different events. My desire is to have all 22 members be given the opportunity to speak to you in one weekend, so that They may share with you more pieces of the 7<sup>th</sup> Golden Age: 'What's going on with the 7<sup>th</sup> Golden Age? Are there any delays? Are there any advances? How are you doing with your Divine Plan for your life?' So, They have a great deal to share.

I have decided that the very First Akasha Grand Council will take place at our Kent Conclave, in the United Kingdom and I know this news will make everyone just thrilled."

*There will be 24 Ascended Master Transmissions over 3 days*
